

BREAKING NEWS

As our industry has been changing, the NCRA Board of Directors has made the decision to transition the NCRA Executive Director position to a part-time position. With that change, Terry Clemans will be transitioning out of the role of NCRA Executive Director.

We thank Terry for his years of dedicated service to the NCRA, and for developing the NCRA into the active association that it is today. We wish him continued success in his next chapter!

Terry stated, "It has been an honor to serve as NCRA's Executive Director for the past 23 years. As the owner of a reseller consumer reporting agency providing mortgage, rental and employment reports for nine years prior to becoming ED at NCRA, I truly understand the challenges these companies face daily and look forward to finding a new opportunity to leverage my more than 30 years in this industry."

The Board of Directors is currently conducting a search for the NCRA's part-time Executive Director and is dedicated to ensuring that the NCRA continues to advocate and fight for its members. Please stay tuned for updates.

THANK YOU, TERRY!
